### **Epic Energy enters into a gas transportation agreement on the Moomba to Adelaide Pipeline**

Epic Energy (Epic) today announced that it has entered into a binding agreement for gas transportation services on the Moomba to Adelaide Pipeline System (MAPS) providing additional revenues of approximately \$42M (estimated nominal amount) over a ten year period from 2010.

The agreement with Adelaide Brighton Limited requires no additional capital costs and will provide long term revenues on the MAPS. Epic will continue to pursue further growth opportunities on the MAPS and will seek to maximise the flow on benefits from the recently announced front end engineering and design study for the stage three expansion of Epic's South West Queensland Pipeline.

Epic is wholly owned by the Hastings Diversified Utilities Fund.
